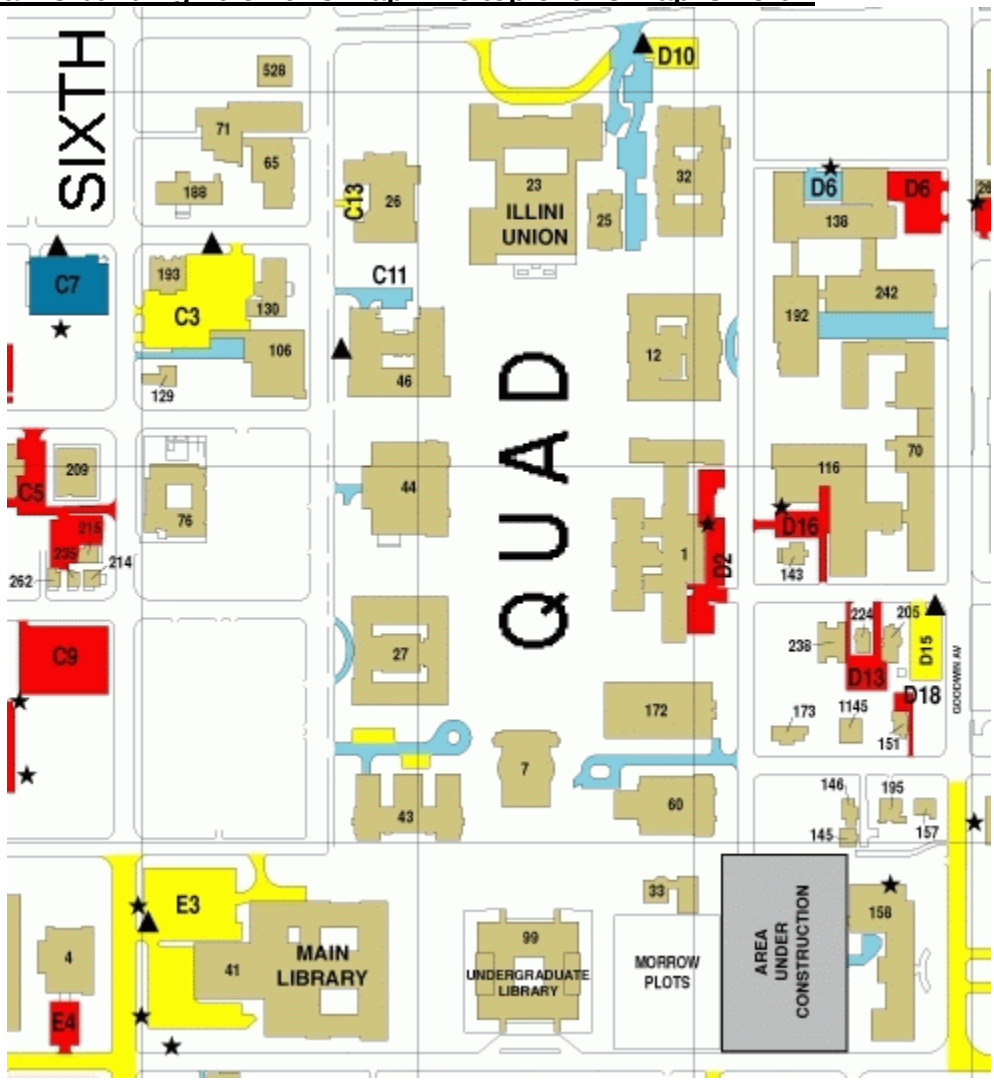
Where can my visitor park?

Campus metered parking is available in lots C3, C7, C13 (parking garage) and D10. Meters will take coins, or you may purchase an all-day hang tag ($11.00) in the Mathematics Business Office. Hang tags can ONLY be used at campus meters, which are marked with an “I”.

City meters are located on the streets. All-day hang tags are NOT good at these meters. Your visitor can park here if he/she is willing to fill it with coins.


Altgeld Hall is building 26 on this map. The top of this map is north.
