## Master's Degree Fellowships in Mathematics

### for Underrepresented Minority Students

---

The Department of Mathematics of the University of Illinois at Urbana-Champaign invites applications for a new fellowship for Master's Degree students.

#### Qualifications

- Full-status admission to a Master's Degree program in the Department of Mathematics.
- Excellent academic qualifications.
- Member of a population which has been historically underrepresented in graduate study in mathematics.
- U.S. citizen, national or permanent resident.

#### Benefits

- One semester fellowship including full tuition waiver, partial fee waiver, and stipend of \$9,051.
- Fellows will be offered a teaching assistantship, with similar stipend and tuition/fee waiver, for up to 3 additional semesters, assuming normal academic progress.

#### Master's Degree Programs

- MS in Mathematics
- MS in Applied Mathematics (emphasis in Optimization and Algorithms, Applications to the Sciences, or Computer Science and Engineering)
- MS in the Teaching of Mathematics

#### Application Procedure for Fall 2012

- Apply for admission at [www.grad.illinois.edu/admissions/apply/](http://www.grad.illinois.edu/admissions/apply/)
- Deadline March 1, 2012
- Indicate your desire to be considered for the fellowship by emailing [gradoffice@math.uiuc.edu](mailto:gradoffice@math.uiuc.edu)

#### For more information

- See [www.math.illinois.edu](http://www.math.illinois.edu)
- Questions may be directed to [gradoffice@math.uiuc.edu](mailto:gradoffice@math.uiuc.edu)
