External Fellowships Checklist

$34,000 per year for three years.

☐ All fields of mathematical research.
☐ US citizen, US national, or permanent resident.
☐ Have completed no more than twelve months of full-time graduate study (or the equivalent) as of August 1, 2015. The "no more than twelve months" limit applies to your entire post-baccalaureate career, not just your current program. If you have completed less than twelve months of your Ph.D. but have previously completed a Master's degree, you would not be eligible.

$20,000 per year for up to six years.

☐ Various fields of mathematical research of interest to a sponsoring employer.
☐ US citizen.
☐ May apply in first or second year of graduate school.
☐ Requires one or two years of summer internship with sponsoring employer (but no employment obligation beyond the summer internship).

$24,000 per year for three years.

☐ All fields of mathematics.
☐ US citizen, national or permanent resident.
☐ Must be committed to a career in teaching and research at the college or university level.
☐ The Ford Foundation seeks to increase the diversity of the nation’s college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. (To be successful, an applicant must contribute to these goals. Belonging to an underrepresented minority yourself is one way, but not the only way, to do this.) Focus is on members of the following groups: Alaska Natives(Aleut, Eskimo or other Indigenous People), Black/African Americans, Mexican Americans/Chicanas,Chicanos, Native American Indians, Native Pacific Islanders(Hawaiian/Polynesian/Micronesian), Puerto Ricans.

$25,000-$38,000 per year plus paid summer internships, for 1 to 5 years.

☐ Must be US citizen.
☐ Must be able to do summer internships at Department of Defense laboratories.
☐ Must be willing to accept post-graduate employment with the Department of Defense.
