I have read and satisfied the requirements for enrollment in Pi Mu Epsilon Illinois Alpha as listed on `http://www.math.illinois.edu/PME/membership.html`. I have attached my DARS Audit with the calculus sequence through MATH 241 and two post-calculus courses that count towards a major in the mathematical sciences highlighted. I will submit the completed form and my DARS Audit and pay the $28 initiation fee to the Undergraduate Math Office (313 Altgeld Hall) before the deadline. I understand that email correspondences from Pi Mu Epsilon Illinois Alpha will be sent to my University email address and I will check the University email account regularly.
